
Joliet RE Investors' Network over Coffee

Have interest in real estate or being a landlord? Already an experienced investor? Join a group of investors on the same wave length who are meeting to network and discuss the market and business as it is today.

Location: Big Apple Pancakes at
106 N Larkin, Joliet (across from Kmart)

When: Every 3rd Wed at 9.00am

(this month it is Wed., Jan 18th)

What: This event is an opportunity for local real estate investors and landlords to create a community that shares information, helps with obstacles and celebrates the successes of investing in real estate.

Investors and landlords will have an opportunity to introduce themselves and can promote properties they have on the market, share contact info, get opinions on how to deal with problem tenants, etc. Sky is the limit.

The Network Over Coffee is supported by the Joliet Regional Landlord Association (JRLA) and aims to strengthen that group and offer more opportunities for growth. JRLA is the important voice for investors in the Joliet area.
